

Organizational Description

The AA groups in the Lower Mainland cooperate in providing centralized services to all the groups within the Greater Vancouver area. These services are maintained by a service committee called Intergroup, which is directly responsible to the AA groups. Intergroup is financed by contributions from the groups within the area, each of which may elect a representative to participate in Intergroup meetings.

The purpose of Intergroup is to support AA groups in carrying the message of recovery by providing information about Alcoholics Anonymous to the AA community and members of the public. This support is delivered through a central office, which is operated by Intergroup. Intergroup subcommittees are responsible for carrying the message to various community groups, organizations and professional bodies.

The Intergroup Committee elects nine members of an Operating Committee and ensures that Intergroup and its subcommittees function as outlined in the Greater Vancouver Intergroup Operating Procedures and Guidelines manual as well as in accordance with the 12 Traditions.

Within the Vancouver Intergroup structure the Groups are the final authority.

The groups elect representatives to carry their group conscience to the Intergroup Committee and report back what happens at the Intergroup meetings.

The Intergroup body elects the Operating Committee who in turn has responsibility to oversee the running of Central Office.
