

GREATER VANCOUVER INTERGROUP MEETING DIRECTORY

If you think you have a problem with Alcohol and you would like to speak to a sober member of Alcoholics Anonymous or you have any questions on A.A., please telephone 604-434-3933.

The third tradition on A.A. states that “The only requirement for A.A. membership is a desire to stop drinking.” Thus, anyone who thinks that they may have a problem with alcohol is welcome to attend any meeting listed in the Meeting Directory. Some meetings are classified as “Closed” and are intended specifically for A.A. members and people with a drinking problem. However, the majority of the meetings in the area are “Open” meetings and anyone who wishes may attend these meetings. A few meetings are intended primarily for women, men, gay people or particular language groups and are listed accordingly in the Meeting Directory.

The size and format of meetings varies. Some are small, with a few people sitting around a table or in comfy chairs, and others are in large halls and may comprise upwards of 200 people. Most meetings are in between and draw from between 15 to 50 people.

The basic purpose of all A.A. meetings is for members to share their experience, strength and hope with each other concerning their problems with alcohol and their experiences in recovery.

A.A. Directories are considered confidential publications and ought to be used for A.A. purposes only. They are not to be used as a mailing list or for any form of solicitation or commercial venture.
